Elizabeth, this will confirm our settlement in this matter. The debt at issue has an alleged but disputed balance of approximately \$47,811.39, which we agreed to settle for \$22,500.00. As you know, our client is currently being garnished, so any garnishments that occur prior to your counsel ceasing the garnishment order will reduce our settlement number of \$22,500 accordingly; please tell me if you disagree. As we discussed, we will make 45 payments of \$500 each to settle this debt (unless offset by a new garnishment). We will contact Suttell & Hammer to make payment arrangements, and we will commence payments within 30 days.

Thank you for your cooperation in amicably resolving this matter.
